## ZOO PROGRAMME - EDUCATIONAL PRESENTATIONS

Every day there is something new to discover. That's why there are daily educational presentations in AquaZoo. The map shows where in the park the presentations are held. You can find the times on the website. [www.aquazoo.nl/park/zoo-programma](http://www.aquazoo.nl/park/zoo-programma)  
Check out the zoo programme and find out which presentations are not to be missed!

## KIDS' PARTIES

Kids feel like real party animals during a kids' party in AquaZoo. Open up presents together, take a trip through the zoo and have a fun frolic in the playground! Check out [aquazoo.nl/kids](http://aquazoo.nl/kids) for more information.

## OUTINGS AND OTHER PARTIES

AquaZoo offers adventurous packages for both large and small groups. Such as family and company outings, school trips and much more. Check out all the possibilities at [aquazoo.nl/arrangementen](http://aquazoo.nl/arrangementen) for more information.

## AQUAZOO IS MORE THAN A DAY OUT

In addition to a nice day out, education and species preservation are other important responsibilities the zoo has. For example, AquaZoo participates in programmes that ensure the preservation of vulnerable species in the wild and a healthy zoo population.

## EMERGENCIES

In the event of an emergency, notify a park employee in the area or call: +31 (0) 511-431214.
